veronica.c.lyons@gmail.com

veronicalyons.com

based in atlanta; willing to relocate

## Education

- Savannah College of Art & Design. Bachelor of Fine Arts. Visual Effects. Graduated Cum Laude, June 2023. Film & Television Minor.
- VFX Apprentice. Real-time VFX courses in Unreal. Fall 2023.
- Rebelway Academy. 'Stylized FX For Games' courses in Unreal Engine 5, Houdini, and Substance Designer. 2024.
- Rebelway Academy. 'Realtime FX for Games and Cinematics' courses in Unreal Engine 5 and Houdini. May 2025 - Present.
- GameDev.tv Team. 'Unreal Engine 5 Blueprints: First Person Shooter (FPS)' courses in Unreal Engine 5. May 2025 - Present.

## Experience

- Freelance Realtime FX Artist: 2024-Present, Atlanta.  
Created stylized and realistic effects using Unreal Engine 5's Niagara particle editor.
- VFX Lead, Short Film: February 2024, Atlanta.  
Directed and executed the creation of visual effects for several shots for Murder! (2024), a short film. Used visualization to plan shots. Composed and composited the shots using Houdini and Adobe After Effects. Collaborated with a team for the whole process.
- 3D Artist, LED Volume Special Project: October 2022, SCAD Atlanta.  
Collaborated in a team to create scenes for SCAD's LED volume for university admissions events. Utilized Unreal Engine 5, Blender and Disguise to create, compile, optimize and organize 3D assets.
- 3D Artist, Film Shot on LED Volume: November 2022, SCAD Atlanta.  
Worked on a team to create an Unreal scene for short film, Regret (2022), shot on the LED volume stage using Unreal scene projection technology.
- AutoCAD Drafter, Structural Evolution LLC: 2015-Present, Peachtree City.  
Drafter and graphic designer for engineering company.
